

## Kril Cunningham

Senior Vice President

kcunningham@lockton.com

Lockton Dunning Benefits

Joined Lockton in 2013

### EXPERTISE

Kril has more than 20 years experience in the benefits industry, providing strategic consulting services to his clients. He began his career working on the Employees Retirement System of Texas and Federal Employee Program accounts at BlueCross BlueShield of Texas. He held several executive roles within BCBSTX, including Leadership of Sales Operations and Strategic Planning Divisions. Kril later served as Director of Account Management with BCBSTX and was responsible for public sector accounts throughout North, West and Central Texas.

As the son of a school teacher and a city manager, Kril deeply understands the public sector and how to assist clients in achieving their organizational goals.

- Innovative health and welfare benefits solution development, design and deployment
- Evaluation of funding mechanisms for medical, dental, life, AD&D and disability benefit plans
- Health data analysis and interpretation
- Technology, outsourcing and operations intervention focused on problem solving and coordination of smooth administration of all benefit plans between the client and the plan administrator
